Next Steps - Going Deep

How do we practice the presence of people the same way we practice the presence of God?

David Benner in his book “Soulful Spirituality” encourages us to ask 3 questions:

1. Am I fully present or distracted?
2. Am I loving or judgemental?
3. Am I open or closed to being changed?

Jesus’s integration of love for God and people was revolutionary in the first century, and it remains revolutionary today.

Jesus priority was clear:

“By this everyone will know that you are my disciples, if you love one another” (John 13:35).

We are to be the best lovers of people on the face of the earth.
